

Language Arts (Phonics and Vocabulary)

Letters of the week: h, s

 Practice handwriting of the uppercase and lowercase letters of the week using rainbow writing.

 Draw or find pictures that start with the letters of the week in the format of a mind map.

 Dictate the following words to your child. Have them try and sound out the word and write the sounds in the order that they hear them in the word. (cat, mop, sit, bat, got)

Name: _____

Math

Name: _____

We are practicing different ways to make 5 in a 5-frame, one more and one less!

Parents, please draw the following five-frame on the paper. Have your child shade in with 2 different colors. (Ex: 3 blue and 2 red)

--	--	--	--	--

___ and ___ = 5

Show a different combination of numbers to make 5 (Ex: 1 blue and 4 red)

--	--	--	--	--

___ and ___ = 5

Parents, please draw the following number line on the paper. Color the number that is one more than 4.

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----

Color the number that is one less than 7.

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----

Unit of Study

We have been learning about community workers. Camarena is a technology school so please log on the following website to complete this activity. If not, check out a book at your local library.

Website: Pebblego.com

Username: eprise Password: school

How to get started: Log on. Click Social Studies. Click Jobs in the Community. Click on any Community Worker (Construction Workers, Farmers, etc.) When you grow up, how would you help your community? Draw a detailed picture and parents may record student responses.
