

Reading Comprehension

Find a nonfiction book.

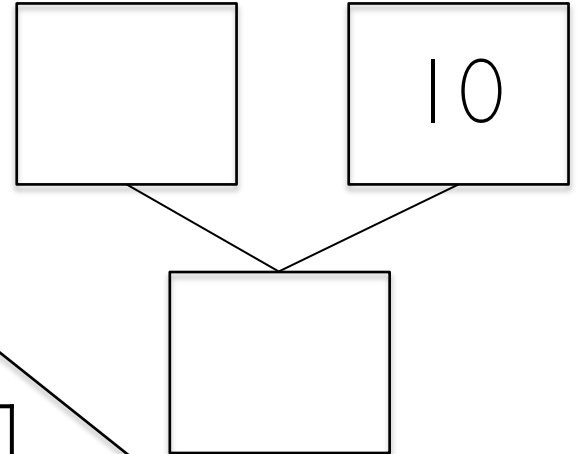

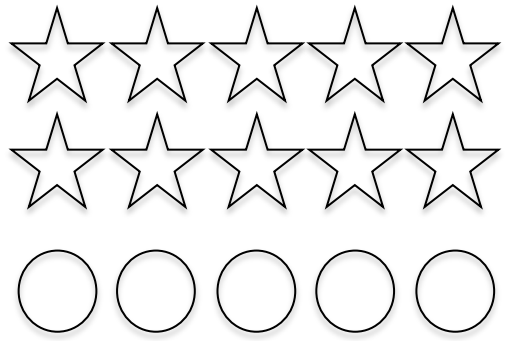

Write the main idea and 3-4 details in the graphic organizer below.

Title: _____

We are doing math review! Please try to complete all of the problems on the page. They will be good practice for your child.

Color 2 cubes blue and 4 cubes red.

is the same as and

There are 9 boys playing soccer at recess. Two boys fall and have to go to the nurse. How many boys are playing soccer now? Draw the story and fill in the number sentence.

_____ - _____ = _____

Unit of Study

They will complete this portion of homework on a separate piece of paper so that they can put it in their Shark Notes Folder at school.

Website: Pebblego.com

Password: school

This week log on and find the online reader of the shark they chose (you will find this list on the blog). Investigation is not limited to only this site, but it is great and kid friendly.

How to get started: Log on. Click Animals. Click Fish. Click Sharks. Find your child's specific shark. Fill out the attached Diet sheet. Turn this in separately (do not staple with the other homework pages).

Name: _____

Do not staple the "Diet" Notes page to the HW. Please keep it separate so that we can easily put it in their Shark Folders.

Name: _____ Name of shark: _____

Diet

Name and draw a body part that helps your shark get its food (ex: serrated teeth, hammer shaped head, open mouth).

Name and draw two (OR MORE) things that your shark eats.
