

Dear Parents and Guardians:

It's already that time of year to give information about your child's development in school as the first quarter is coming to an end . Parent conferences are scheduled from Tuesday, September 6th - Monday, September 12th. These dates are a little different than the rest of the school. I will be taking a few days off before my wedding, so conferences start a few days early in Room 402. It is a pleasure to inform and speak to you about your child's progress in school as a Kindergartener as we finish our first quarter. September 8th-September 16th are MINIMUM DAYS!!!

Many parents signed up at Curriculum Hour. These are the time slots left. Please fill your child's name in, in an empty spot and return this sheet. First come, first serve. I will confirm with you, the date and time.

Thank you,

Miss Lesiak ☺
